

THE BLUE DOG

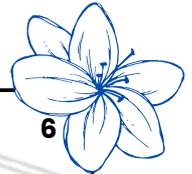

PUB & Kitchen

In a world that feels increasingly uncertain, having a place where people can come together, as one community, matters more than ever. Hospitality has always been about that, sharing good food, great drinks, and a well-earned escape from the outside world. Here at The Blue Dog, that spirit is at the heart of everything we do and as a family team with over 80 years of combined experience, we're proud to honour those traditions.

By using locally sourced ingredients to create classic flavours with a modern twist, we ensure every dish is fresher, bursting with flavour, and supports the producers at the heart of our community. Our specials board showcases the very best of what we have to offer. Hand picked by our headchef. To take full advantage of this, make sure to ask about our Diners Club Loyalty Card when placing your order.
